Hours of Operation

Cardlock Fueling System: 24 hours / 7 days a week
Office: Monday through Friday, 7:00 AM to 4:00 PM
Office Closed on Saturdays, Sundays, and Major Holidays

Maui Oil Company's Cardlock Fueling System is a private, unattended, automated fueling facility available exclusively to approved and properly trained cardholders. If a cardholder has not received proper training or is uncertain about any aspect of the safe operation of the Cardlock Fueling System, they are required to contact a Maui Oil Company customer service representative for guidance and training before attempting to use the facility.

Cardholders must follow strict safety rules, including the following:

- Traffic flow pattern and obeying stop signs
- Turn off engine while fueling
- No smoking on premises
- **Do not leave the dispensing equipment unattended at any time** while it is being operated and accept the responsibility of controlling sources of ignition
- **Do not dispense gasoline and diesel fuels into containers and tanks that are not in compliance with state fire code.** (Follow guidelines on pump stations)

Cardholders are responsible for knowing the location and use of emergency phones, both shut-off switches, and fire extinguishers. In the event of a fuel spill, the individual responsible must immediately report the incident and take appropriate emergency action. Security of cards and PINs is critical, as unauthorized use is the account holder's responsibility.

The price of fuel on the pump is member pricing. When using the prepaid card, posted prices are applicable. Prepaid cards have no expiration date or inactivity fees and cannot be redeemed for cash. Maui Oil Company reserves the right to suspend or terminate card access immediately for violations or as deemed necessary to protect company interests.

Additional Information:

1. Prepaid cards are only available for use on electronic pumps #1-10
2. Remove sticker on the back of the card to reveal the PIN number required for use.
3. Amount you have left on the card will be printed on the receipt
4. Cards can be reused by adding funds (pay by cash, check or credit/debit card) during office hours
5. To apply for free membership, access the Members Portal, or check prepaid card balances, visit www.mauioil.com/members
